MEDIA INFORMATION

ACC MEDIA RELATIONS

Bailey Grossetti is the softball media relations contact for the ACC office. She can be reached at ***bgrossetti@acc.org***.

ATHLETIC COMMUNICATIONS ADDRESS

Our address is Jervey Athletic Center; 100 Perimeter Road; P.O. Box 31; Clemson, SC 29633.

CREDENTIALS

Members of the working press who desire a media credential to a Clemson softball home game should contact **Valerie Johnson** in the Clemson athletic communications office at ***vjohns4@clemson.edu***. Seating for writers can be found on the third level of the McWhorter Stadium behind home plate in the main press box room (farthest door to the right when facing the field). There is also room for each team's radio network. Credentials are issued on a game-by-game basis only. Online credential requests will open on the Monday prior to each game. Members of the media must request a pass at least one day prior to each game/series to ensure admittance.

EMAIL DISTRIBUTION LIST

Notes, stats, stories and other information are emailed out on a series basis from the athletic communications office. Contact **Valerie Johnson** (***vjohns4@clemson.edu***) to be put on the email list.

INTERNET SERVICES

The press box features the most up-to-date wireless internet services.

RITTMAN AVAILABILITY

The best time to reach Head Coach **John Rittman** is weekday mornings. Please contact **Valerie Johnson** at ***vjohns4@clemson.edu*** to set up an interview with **Rittman**.

PARKING

Members of the media are directed to park in the Jervey Athletic Center parking lot adjacent to McWhorter Stadium or in Jervey Meadows beyond the outfield fence. There is also parking available in the McFadden Building parking lot, located on the hill above Doug Kingsmore Stadium or in Memorial Stadium's West endzone parking lot (P5).

PHOTOGRAPHER POSITIONS

There are designated concrete areas in each team's dugout that photographers can shoot from. Any flooring that has a black foam pad is **OFF LIMITS** to external media. Positions are on a first-come, first-serve basis.

*No external media outlet is allowed to go past the field entrance point in each dugout. No media outlet is allowed on the field or playing surface prior to- or during- the game.

PLAYER AVAILABILITY

Player interviews are conducted before a particular practice on days when the team does not have a game. Please notify **Valerie Johnson** if you plan to attend practice. If attendance at practice is not possible, the athletic communications office can set up a phone interview. Campus and cell phone numbers for players are not provided.

POSTGAME INTERVIEWS

Postgame interviews for Tiger coaches and players take place in the atrium on the second story of McWhorter Stadium. **Valerie Johnson** will escort team members from the locker room, which is closed to the media, to the second-story atrium for interviews after a cooling-off period.

To access the interview area, enter the player facility at the second-story door that faces the playing surface above the first-base dugout. Please see the opponent's athletic communications contact for its postgame interview procedure on the field, which will take place near the third-base dugout.

POSTGAME STATS

A final box score is provided to the media for all games at McWhorter Stadium. A final box score and a game story are emailed after the conclusion of every game. For any other requests, see **Valerie Johnson** or another member of the Clemson athletic communications staff prior to the end of the game.

IN THE ACC...

Since becoming a program in 2020, the Tigers have proved to be steadfast in their pursuit of greatness. The softball program won the regular season title in 2021, the first year eligible due to the 2020 season being cut short due to the COVID-10 pandemic, to become the only program in school history to secure a regular-season conference championship in its first opportunity to do so.

Clemson has also made a strong push in the yearly conference championship making two championship games (2021 vs. Duke and 2022 vs. Florida State), as well as advancing to the semifinals every year eligible (2021-24).

Through the first five seasons, the Tigers have posted an 81-31 (.723) overall record. Individually, Clemson has tallied 26 total All-ACC honors, including seven first team, five second team, nine third team and five all-freshman selections. Twelve athletes have been credited with All-ACC honors with **Valerie Cagle** and **Alia Logoleo** each garnering five with a first-, second- or third-team selection on four occasions, as well as both being named to the all-freshman team in 2021. Key All-ACC selections returning to the 2025 lineup include **Maddie Moore** (1st) and **Alex Brown** (2nd)

On top of the All-ACC awards, Cagle was crowned the ACC Player of the Year in both 2021 and 2023. Head Coach **John Rittman** joined Cagle by being crowned the ACC Coach of the Year in the program's first complete season.

Additional ACC accolades come in from nine Preseason All-ACC honors, seven All-ACC Tournament selections and 19 ACC honors split between Player (10) and Pitcher (9) of the Week.

Off the field, the Tigers have had 38 All-ACC Academic selections, including 15 during the 2023 season that saw Cagle earning Scholar-Athlete of the Year. Clemson has also landed 106 student-athletes on the ACC Academic Honor Roll that include five-time members Cagle, Logoleo, **Arielle Oda** and **Abi Stuart**.

NATIONAL AWARDS & HONORS

VALERIE CAGLE WAS NAMED THE 2023 USA SOFTBALL COLLEGIATE PLAYER OF THE YEAR, BECOMING CLEMSON'S 14TH ATHLETE AND SECOND WOMAN TO GARNER NATIONAL PLAYER OF THE YEAR HONORS.

Valerie Cagle made history in 2023 as the first player in Clemson history to be named the USA Softball Player of the Year, which is considered the most prestigious honor in Division I women's collegiate softball. She continued her dominant junior campaign by being named the Rawlings Gold Glove award recipient at pitcher.

Cagle made an impact on a national level as soon as she stepped on campus. Alongside winning the award in 2023, Cagle was a top 25 finalist (2022) and top 50 watchlist selection (2024) during her collegiate campaign.

In conjunction with being in consideration for player of the year, Cagle is a four-time NFCA All-American - three first team and one second team - as a pitcher/utility. This also made her a four-time NFCA First Team All-Region Southeast selection. She was recognized on three different occasions as an NFCA Player of the Week and has been selected to participate with the USA Softball Women's or Junior National Team on three separate occasions.

Joining Cagle in the All-American category is 2025 senior infielder **Maddie Moore.** She earned her first All-America honor in 2024 with a third-team nod at second base after leading Clemson with a .368 average that included 10 home runs, 57 hits and 39 RBIs. She also led the Tigers with 15 stolen bases and defensively contributed 69 putouts with 109 assists. She was also an NFCA All-Region Southeast Second Team selection in 2024.

McWHORTER STADIUM

On Dec. 1, 2018, a fence was built and the site was cleared as construction began on a new stadium for the Clemson Softball program. Two months later, on Feb. 1, 2019, the coaching staff, staff members from the administration and IPTAY and staff from the construction team gathered on the grounds of the stadium for an official site visit in preparation for the first home game in February 2020.

The site visit was to officially commemorate the construction of then-Clemson Softball stadium, which will feature over 1,000 fixed chairback seats, in addition to berm seating. The facility also includes a team clubhouse with over 12,000 square feet of conditioned space that houses a team lounge, locker room, sports medicine room, equipment room and coaches' offices. The facility also features locker rooms for the coaches, umpires and visiting team.

"Myself, our staff and players are so truly appreciative of all the generous people who have given their time and money to make this dream a reality. Words alone cannot express our sincere gratefulness," said Head Coach John Rittman, who began his tenure as the first head softball coach in Clemson history in November 2017.

"Seeing our stadium construction underway brings an extreme amount of excitement. The fact that our administration has allowed us to be a part of the entire process gives us even more of a sense of gratitude, appreciation and pride."

The complex also includes an indoor player development hitting facility that will span over 6,000 square feet. Additional accommodations of the stadium include a press box with three broadcast booths and a videoboard.

The facility was designed by Goodwyn Mills Cawood Architects while DPR Construction served as the contractor for the $13 million project, which had an anticipated completion date of Fall 2019. *NOTE: The naming rights to the stadium had not been selected at this time.*

"There is such a direct correlation in seeing the stadium being built right before our eyes, as construction takes place behind where we are currently practicing and what we are doing in the classroom, on the field and in the weight room," noted Rittman. "Just like the builders are laying the foundation for our stadium, we are laying the foundation for our program with the seven players and coaches working daily on not only the fundamentals of playing softball, but even more importantly, our culture and core values."

The Clemson Softball Stadium was officially renamed after Stuart McWhorter and Leigh Anne Hendrix McWhorter pledged a $2.5-million-dollar Cornerstone Partner Gift to IPTAY, Clemson Athletics and, more specifically, the softball program. On Feb. 17, 2021, "McWhorter Stadium" signage was officially installed above the stadium's scoreboard, press box and along the backstop to honor the generous gift from the McWhorter family.

Originally built to welcome 1,616 fans on game days for the inaugural season, Clemson Athletics expanded the outfield berm seating area in McWhorter Stadium during the summer of 2022 following the third season of play to extend from the left field to right-center to move capacity of McWhorter to 2,116 (an increase of 500 fans per game).

Since opening its doors, Clemson Softball has welcomed over 191,000 fans into McWhorter Stadium and hosted both the 2022 and 2023 Clemson Regional, as well as over seven tournaments that have welcomed two or more teams in the facility per weekend. Clemson softball fans continue to prove it's a program worth supporting by elevating the student-athlete experience by making McWhorter Stadium one of the best places to play college softball in the country.

HEAD COACH JOHN RITTMAN

JOHN RITTMAN

HC

- HEAD COACH
- 6TH SEASON AS HEAD COACH AT CLEMSON
- 24th SEASON OVERALL AS A HEAD COACH
- NEW MEXICO STATE '86

John Rittman, a longtime head coach and member of the USA Softball Women's National Team coaching pool, was named the first Head Coach of Clemson Softball on Nov. 3, 2017. Rittman came to Clemson after serving as the Associate Head Coach at the University of Kansas from 2015-17. Rittman joined the Jayhawks after 18 seasons as the Head Coach at Stanford University and 10 years on the United States National Team coaching staff (2001-08, 2016-18). He returned to the USA Women's National Team staff in 2023 when he served as the head coach for the Japan All-Star Series.

The 2024 campaign had Rittman leading the Tigers to a 35-19 overall record. As a program, Clemson opened the season with its 200th game in history (held a 155-45 overall record at this time) that was eclipsed with a 12-0 run-rule against Missouri State. The Tigers also reached their 100th victory in program history at McWhorter Stadium with a 12-0 shutout against Fordham. Rittman continued to show his excellence at the helm of the program by guiding a program record number of student-athletes to postseason honors, including two NFCA All-Americans, three NFCA All-Region selections and six All-ACC honorees. Most notable on this list is Rittman's guidance of pitcher/utility Valerie Cagle, who was crowned a First Team All-American for the third time of her tenure, as well as being a First Team NFCA All-Southeast selection and earning All-ACC Third Team honors. Cagle was joined by first-time All-American infielder Maddie Moore, who posted a team-high .368 average after contributing 10 home runs, eight doubles and two triples to the Tiger offense. Under his guidance, Moore drew a team-high 29 walks and stole 15 bases while contributing 39 RBIs and 38 runs scored. Moore was joined on the All-ACC First Team by infielder Alia Logoleo, who clocked a .319 average, while fellow infielder Alex Brown garnered Second Team accolades with a .328 average. As a team, the Tigers set single-season records in triples (15), sac flies (25) and sac hits (18). Additionally, Clemson's pitching staff finished with a 2.32 ERA, which ranked No. 24 in the NCAA at the end of the year, while the 3.72 strikeout-to-walk ratio ended the year at No. 8. For the second-consecutive season, the Clemson pitching staff allowed only 56 extra-base hits while holding opponents to a .245 batting average behind the efforts of All-ACC selections Regan Spencer (Second Team), Millie Thompson (Third Team) and Cagle. Senior center fielder McKenzie Clark rounded out the All-ACC and NFCA All-Region honorees with a .365 average following 10 home runs, eight doubles and four triples. Clemson capped its season with its fourth-straight NCAA Regional appearance where the Tigers won their ninth NCAA Tournament game with an 8-0 run-rule against USC Upstate. Off the field, Clemson finished with a 3.50 spring GPA and had 14 athletes be named NFCA All-America Scholar-Athletes and 13 be named to the All-ACC Academic Team. For the third consecutive season, Clemson finished with at least one CSC Academic All-District selections as Thompson and Brooke McCubbin led the charge – this was Thompson's second-consecutive year as an Academic All-District selection.

During the fourth season at the helm of the program, Rittman guided the Tigers to a 49-12 overall record that started with a perfect 14-0 run to open the season before the Tigers posted a 37-1 record through the first week of April for another program best. Clemson capped the regular season with a 5-4 victory to mark the 150th of the program and Rittman's 900th-win of his coaching tenure. He became the 44th collegiate softball coach to reach the 900-win benchmark. Hosting the second regional in program history, Clemson went on to defeat UNCG and Auburn to make the second-consecutive super regional appearance. The Tigers took the next step as a program by surpassing previous team bests in multiple categories. Offensively, Clemson tallied 488 hits with a .313 average. The Tigers led the ACC in On-Base Percentage (.409) and Scoring (6.08 per game) and finished in the top 25 of the NCAA in eight offensive categories. Defensively, Clemson finished with a .980 fielding percentage to lead the ACC and finish seventh in the NCAA. The Tiger defense also turned 31 double plays (.510 per game), which ranked sixth in the nation. With Rittman's tutelage, redshirt junior Valerie Cagle was named the 2023 USA Softball Player of the Year, a Rawlings Gold Glove (pitcher) recipient, the ACC Player of the Year and a NFCA First Team All-American for the second time of her career after she led the ACC in seven categories and ranked in the top 25 of the NCAA in 11 – including sitting in the top 10 in seven led by being second in the country with 157 total bases. As a team, the Tigers clocked their highest individual ranking climbing as high as No. 4 and finished the season at No. 9 in both major polls. Clemson finished with five All-ACC honorees and 15 on the All-Academic Softball Team, while Cagle was tabbed the ACC Softball Scholar-Athlete of the Year. After posting a 3.68 team GPA, 17 student-athletes received Easton/NFCA All-America Scholar Athlete distinctions while the team maintained the 12th-highest team GPA in Division I. Five Tigers were named CSC Academic All-District honorees, and graduate Caroline Jacobsen earned CSC Academic All-America Third Team honors.

In the third year of the program, Rittman continued to guide Clemson to new heights by making the program's first Super Regional appearance after earning the program's first national seed and hosting a Regional. Early in the season, the Tigers upset then-No. 6 Washington, 2-0, at the St. Pete/Clearwater Elite Invitational for the program's first top-10 win. Clemson followed that by playing its 100th game in program history against Illinois on March 13. The Tigers won with a 4-0 victory to tie Clemson women's tennis for the most wins through a program's first 100 games with a 78-22 record. With that record, Rittman solidified himself as the winningest coach among active head coaches at Clemson surpassing Dabo Swinney (football), who held a 74-26 record. The Tigers continued to reach new levels by winning their 100th game in only 130 games on May 1 with a 3-2 win against Georgia Tech on Senior Day to become the second-fastest program at Clemson to reach 100 wins trailing only women's tennis (128). The Tigers were ACC Tournament Runner-Ups after defeating then-No. 19 Notre Dame, 7-3, and then-No. 2 Virginia Tech, 4-1, in the first two rounds before falling in the championship game, 8-6, to then-No. 3 Florida State. The upset win over Virginia Tech marks Clemson softball's highest victory over a ranked opponent in program history. The hot streak continued for Clemson entering postseason as the Tigers earned the No. 10 national seed for the NCAA softball tournament. The No. 10 Tigers welcomed No. 17 Auburn, Louisiana and UNCW for the Clemson Regional and made a clean sweep in three games by shutting out all three programs and run-ruling UNCW and Louisiana to advance to the Stillwater Super Regional. Clemson finished the year with five All-ACC team selections, and Valerie Cagle was named an NFCA First Team All-American, the second NFCA All-America honor of her career. Behind Rittman's efforts, Clemson climbed as high as No. 14 in the NFCA national rankings and earned its first single digit ranking from ESPN/USA Softball rankings coming in at No. 9 for two weeks. Off the field, Clemson posted a 1,000 APR and 3.38 GPA in the spring. Graduate Sam Russ was named to CoSIDA's Academic All-America Third Team to become softball's first Academic All-American. Cammy Pereira was awarded the 2022 Weaver-James-Corrigan-Swofford Postgraduate Scholarship Award from the ACC marking the third Clemson softball player to earn the honor in two years.

During the second season and first complete year, Rittman propelled Clemson to even higher heights by becoming the ACC Regular Season Champions after posting a 29-5 ACC record and winning seven ACC series, including six series sweeps. The Tigers were ACC Tournament Runner-Ups after shutting out both Georgia Tech and then-No. 20 Virginia Tech in the first two rounds before dropping the championship game, 1-0, to then-No. 21

Duke. The Tigers finished the season with a 44-8 record and the sixth-best WL Percentage in the NCAA (.846). Rittman was named ACC Coach of the Year and guided Valerie Cagle to being the first softball player in league history to be named both the ACC Freshman and Player of the Year in the same season. Clemson finished with six individuals earning nine All-ACC team selections following the regular season, including three on the first team. Cagle and freshman McKenzie Clark were named to the NFCA All-Region team. The honors continued to roll in for Cagle as she became the first Clemson softball All-American garnering second team honors from the NFCA, a Top-Three Finalist for the NFCA's National Freshman of the Year and a Top-10 Finalist for USA Softball's Collegiate Player of the Year. Behind Rittman's efforts, Clemson climbed as high as No. 13 in the NFCA national rankings and No. 10 in the ESPN/USA Softball rankings before finishing the season at No. 18 in the NFCA poll. Rittman led the Tigers to their first postseason appearance traveling to the Tuscaloosa Regional to defeat Troy twice, including a five-inning run-rule victory in the opening game that capped off a historic second season.

In its inaugural season, Rittman transcended Clemson into a nationally-respected program. Rittman guided Clemson, which was predicted to finish in 10th in the conference, according to the 2020 ACC preseason poll, to a 19-8 overall record, including 5-1 in ACC play. The Tigers, who won both of their ACC series against Virginia and Pitt, won 11 of their final 12 games before the 2020 season was cut short due to the coronavirus pandemic (COVID-19). Additionally, Clemson went 14-2 at Clemson Softball Stadium (now McWhorter Stadium), which included a 13-game home win streak that spanned 25 days. Rittman and the Tigers generated plenty of enthusiasm among the Clemson faithful as the first-year program ranked fourth nationally in attendance (24,860) and fifth in average attendance (1,544/game) in 2020. On March 3, the National Fastpitch Coaches Association (NFCA) announced the first-year program received votes (10) in the fifth edition of the 2020 USA Today/NFCA D1 Top 25 Coaches Poll. The announcement came after Clemson defeated then-No. 14 Georgia, 4-1, on Feb. 26 at Clemson Softball Stadium before sweeping the Cavaliers to win its first-ever ACC series. Under the direction of Rittman, three Tigers in Valerie Cagle (twice), Marissa Guimbarda and Logan Caymol earned ACC weekly honors on four occasions, the most by any ACC program in 2020. Cagle, a true freshman in 2020, was second in the nation in RBIs (36), while Guimbarda finished the season fourth nationally in home runs (11). Both Cagle and Guimbarda led the ACC in RBIs and home runs, respectively.

At Stanford, Rittman and the Cardinals recorded 18-consecutive winning seasons, made 16-straight NCAA appearances, notched 13 40-win seasons and produced at least one All-American in 15 of his last 17 seasons. As head coach, Rittman accumulated a 750-351-3 overall mark, coached a national player of the year, 16 All-Americans, earned five Super Regional appearances, two Women's College World Series appearances and maintained a spot in every regular-season NFCA top-25 poll for more than a decade.

Rittman served on the staff of the USA Softball team which won gold at both the 2016 Women's Softball World Championship and the 2017 Pan Am Qualifier. He also worked with Team USA from 2001-08, coaching the 2004 Olympic gold medal winners in Athens and the 2008 silver medalists in Beijing. Team USA also won gold medals at the 2002 and 2006 World Championship and the 2003 and 2007 Pan Am Games.

Prior to being named head coach at Stanford, Rittman spent four seasons as an assistant coach at the University of Washington, focusing on hitting and defense. Rittman helped start the program and, within just four seasons, the Huskies had earned a No. 1 national ranking, won the 1996 Pac-10 Championship, made three NCAA Tournament appearances and notched a runner-up finish in their first trip to the Women's College World Series. Washington became the first team since Texas A&M (1983) to advance to the championship game in its first appearance at the WCWS.

Before his appointment at Washington, Rittman spent two seasons as an assistant at the University of Minnesota. During his second year, the Golden Gophers won the Big Ten Conference with a 20-4 league record. The Gophers set team and individual records in almost every offensive category. The Minnesota squad led the nation in hits and total bases en route to a No. 15 national ranking. Rittman also helped produce two Golden Gopher All-Americans.

From 1988-90, Rittman was an assistant coach at the University of Oregon. During his stay, the Ducks played in the 1989 Women's College World Series, set several team and individual offensive records and produced an All-American.

Rittman graduated from New Mexico State with a degree in journalism in 1986. He was a three-year letterwinner in baseball as an outfielder at NMSU after transferring from Yavapai Junior College in Prescott, Arizona.

Rittman and his wife, Lorie, a former softball player at the University of Oklahoma, are the parents of Justin, a UCLA graduate and former fullback for the Bruins, and Jake, a Notre Dame graduate and former punter for the Fighting Irish.

- 6TH SEASON AT CLEMSON
- BROCK UNIVERSITY '97, NIPISSING UNIVERSITY '98

Kyle Jamieson, who previously served as head coach at Furman University, was named Associate Head Coach of Clemson Softball on Dec. 4, 2017. Jamieson primarily works with the Tigers' pitchers.

The 2024 campaign had Jamieson contributing to Clemson finishing with a 35-19 overall record. Jamieson guided the Clemson pitching staff to producing three All-ACC selections in Regan Spencer (Second Team), Valerie Cagle (Third Team) and Millie Thompson (Third Team). The staff finished with a 2.32 ERA, which ranked No. 24 in the NCAA at the end of the year, while the 3.73 strikeout-to-walk ratio finished the season at No. 8. For the second-consecutive season, the Clemson pitching staff allowed only 56 extra-base hits while holding opponents to a .245 batting average. Thompson dominated during her senior campaign to lead the ACC in three categories (hit batters – 3, strikeout-to-walk ratio – 7.50, walks allowed per 7.0 IP – 0.77), while also sitting sixth in the NCAA in both strikeout-to-walk ratio and walks allowed per 7 IP. Spencer had a breakout season in the circle to be named an ACC Pitcher of the Week twice during the 2024 campaign and garnered a team-high 11 victories. Under Jamieson, Spencer set the program career record with a 1.52 ERA, while Cagle holds the title with most career strikeouts (819). In total, Jamieson helped lead two Tigers to NFCA All-America honors, including Cagle, who was named a First Team All-American for the third time of her career. Additional notes include the most Tigers to earn NFCA All-Southeast honors (three) and a program-record six All-ACC honorees. Clemson capped its season with its fourth-straight NCAA Regional appearance where the Tigers won their ninth NCAA Tournament game with an 8-0 run-rule against USC Upstate.

The program reached even more milestones in Jamieson's fourth season. Under his guidance, the Clemson pitching staff boasted a 1.59 ERA and 19 shutouts, including the program's first perfect game, to finish fourth and 11th in the NCAA, respectfully. Jamieson helped redshirt junior Valerie Cagle to being named the 2023 USA Softball Player of the Year, a Rawlings Gold Glove (pitcher) recipient and the ACC Player of the Year for the second time in her tenure. Jamieson also called Cagle's and Clemson's first perfect game calling only 52 pitches as the Tigers defeated Mercer in five innings on March 8. That was topped as Cagle tossed an immaculate inning needing only nine pitches to strikeout the side against Georgia Tech on March 24. Joining Cagle in the circle, was sophomore Brooke McCubbin who posted a 1.34 ERA to finish 14th in the nation. The pitching staff finished with 319 combined strikeouts and only allowed 56 extra-base hits which included not giving up a triple all year. Helping out on the defensive side, the Tigers clocked a .980 fielding percentage to lead the ACC and finish seventh in the NCAA. The Tiger defense also turned 31 double plays (.510 per game) to finish sixth in the NCAA. Offensively, the Tigers led the ACC in on-base percentage (.409) and scoring (6.08 per game) and finished in the top 25 of the NCAA in eight offensive categories. Hosting the second regional in program history, Clemson went on to defeat UNCG and Auburn to make the second-consecutive super regional appearance. The Tigers concluded the season ranked ninth by both major polls and had five players earn All-ACC team honors with 49 team wins.

In the third year, Jamieson continued to help guide Clemson to new heights as the program made its first super regional appearance after earning the first national seed and hosting a regional. Under the guidance from Jamieson, Clemson's pitching staff posted 20 shutouts during the year (13 solo, seven combined) and struck out 345 batters while limiting opponents to a .219 batting average. The pitching staff finished seventh in the NCAA for lowest ERA (1.78), sixth in Shutouts (20) and 19th in Strikeouts-to-Walk Ratio (3.75. Sophomore Millie Thompson had a breakout season in the circle with Jamieson's help and finished the season 17th in the NCAA in Strikeout-to-Walk Ratio (6.11), 18th in ERA (1.58) and 19th in Walks Allowed Per Seven Innings (1.06). The pitching staff posted three no-hitters that began with Regan Spencer and Thompson tossing a combined no-no against Kent State.

During the second season and first complete year, Jamieson helped propel Clemson to even higher levels as the team became ACC Regular Season Champions after posting a 29-5 ACC record and winning seven ACC series, including six series sweeps. The Tigers were ACC Tournament Runner-Ups after Jamieson's pitching staff shut out both Georgia Tech and then-No. 20 Virginia Tech in the first two rounds. Clemson continued to have a historic start making its first postseason appearance at the Tuscaloosa Regional and defeating Troy, 8-0, in a run-rule victory to open postseason. The Tigers finished the season with a 44-8 record and the sixth-best WL Percentage in the NCAA (.846). With the guidance from Jamieson, Clemson's pitchers combined for 16 shutouts in 2021 (12 solo, two combined) and struck out 369 batters while limiting opponents to a .198 batting average and allowing less than 100 earned runs (96). The pitching staff finished fifth in the NCAA for lowest ERA (1.50) and 11th in Strikeout-to-Walk Ratio (3.80). Jamieson was an integral part of redshirt freshman Valerie Cagle being named ACC Freshman and Player of the Year (the first softball player in league history to garner both honors). Jamieson also coaches freshmen Millie Thompson and Regan Spencer to a combined 15-1 record in 33 appearances.

In its inaugural season, Jamieson helped transcend Clemson into a nationally-respected program. Jamieson helped Clemson, which was predicted to finish in 10th in the conference, according to the 2020 ACC preseason poll, to a 19-8 overall record, including 5-1 in ACC play. The Tigers, who won both of their ACC series against Virginia and Pitt, won 11 of their final 12 games before the 2020 season was cut short due to the coronavirus pandemic (COVID-19). After winning its first two ACC series, the National Fastpitch Coaches Association (NFCA) announced the first-year program received votes (10) in the fifth edition (March 3) of the 2020 USA Today/NFCA D1 Top 25 Coaches Poll. Under the direction of Jamieson, freshman right-hander Valerie Cagle was one of two freshmen in the ACC in 2020 to garner nine wins, which tied for fourth in the ACC among all players. Cagle was also third in the league in innings pitched (89.2), strikeouts (87), appearances (19) and games started (13), and tied for third in complete games (eight) before the Tigers' inaugural season was cut short.

The 2017 Southern Conference Coach of the Year, Jamieson led Furman to three-consecutive 30-win campaigns the final three seasons and a share of the 2017 Southern Conference Championship, a first for the Paladins in 22 years. His 2017 squad featured both the SoCon Pitcher of the Year and Freshman of the Year.

In the summer of 2017, Jamieson joined the USA Softball staff and helped the Americans claim gold at the WBSC Softball World Championship in Surrey, British Columbia. He was a part of the U.S. National Team staff for the World Cup of Softball and also participated in several training camps with the program during 2016.

Jamieson took the reins of the Paladin softball program after serving as assistant coach at Fordham University during the 2011 season where he helped guide the Rams to a 32-26 overall record, 14-6 league mark, second place finish in the Atlantic 10 Conference and an 8-5 victory over eventual national champion Alabama in the regular season finale. Under Jamieson's guidance, the Rams paced the Atlantic 10 with 54 home runs and ranked second in the league in runs scored (236), doubles (63) and walks (169).

Jamieson's pitching staff at Fordham posted a 2.35 ERA, ranked second in the Atlantic 10 with 466 strikeouts and issued a league-low 84 walks. The Rams placed five players on the All-Atlantic 10 First Team, including pitcher Jen Mineau, who fashioned a league-best 1.62 ERA under Jamieson's tutelage and earned third team Capital One Academic All-America honors.

Prior to joining the coaching staff at Fordham in the fall of 2011, Jamieson spent two seasons helping to rebuild the University of Arkansas softball program. In his first season in Fayetteville, he helped the Razorbacks lower the team ERA from 4.75 the previous season to 3.67 in 2010.

Jamieson grew up playing men's fast pitch softball and helped pitch the Canadian National Team to the 1993 World Championship in Auckland, New Zealand. He was named the Male Gold Card Athlete of the Year by Softball Ontario in 1993, and was named one of Ontario's Elite Athletes by that organization. The next year, he was inducted into the Goulbourn Township Sports Wall of Fame. Jamieson was also a member of the 2003 Kemptville Thunder Fastpitch squad that claimed the silver medal at the ISC World Championships.

Jamieson earned a bachelor's degree in physical education from Brock University in 1997 and a bachelor's degree in education from Nipissing University in 1998.
